A DISGRACE.

LOUISVILLE, KY., June 26.—To-day's game between Louisville and Cleveland was a disgrace to base-ball. It was almost a riot from start to finish, and lasticed three hours and twenty-six minutes. The players of both teams made a football of Umpire Weidman, and engaged in inghts themselves. Burkett's home run in the ninth tied the score. It was almost dark, and Louisville did not try to play, going out one, two, three. In the tenth Cleveland scored four runs on an error, a single, and home runs by McAleer and McGarr. Louisville got three men on the bases, when Weidman called the game on the bases when did not represent the wisne of the delegates of the respective color the delegates of the respective color the delegates.

mary of how the vote is likely to stand at Chicago, since all the Democratic conventions have acted, the silver strength was placed at 583 votes and the gold-standard strength at 345. This is abthe various State conventions on the election of delegates-at-large as a basis, but the probability is that the total of the silver forces will be considerably larger than the one given, and the white metal men will control close to 600 votes when the platform is up to be voted on. In Minnesota and Maryland, for instance, in the gold column because the delegatesat-large from each were elected as gold men. In Minnesota, at least three conventions elected silver delegates to Chicago. The unit rule was not adopted there. It is probably a safe estimate that seven votes from Minnesota will act with the silver men in everything; in fact, the gold men of that State acknowledge that there is a division of the delegation. It is probable that four men from Maryland will vote the silver ticket, as no instructions for a unit rule were adopted there. The addition of elevan practically sure silver votes to the white metal column will make the silver strength at Chicago 594, and reduce the gold-standard vote to 334, a majority of 299. In addition to the stray silver votes mentioned, the silver men claim that two of the four districts of Maine will vote with the silver men instead of one, as is credited in the summary of States. at-large from each were elected as gold redited in the summary of States."

WHOLESALE GROCERS' BANQUET. The Visiting Wholesale Men Hand-

somely Entertained Last Night.

The Visiting Wholesale Men Handsomely Entertained Last Might.

A more representative body of Richmond business-men than that which last night met to mingle in social intercourse with the members of the Southern Wholesale Grocers' Association has seldom gathered in this city.

The occasion was a banquet tendered by the Wholesale Grocers Association of Richmond, but there was no line of business which was not represented. The company began to assemble in the court of the Jefferson about 9 o'clock, and an hour or more was passed in chattlins, hand-shaking, and making acquaintances. Light refreshments were served in the ladica' care.

Shortly after 10 o'clock the party, which numbered about 49, proceeded to the dining hall. Mr. Frank W. Beveridge, president of the Richmond Association, welcomed the visitors in a neat but brief address, after which grace was asked by Rev. Dr. W. W. Landrum.

An elegant menu was served in fine style. This over, the speaking began. Hen. Traxewell Ellett acting as fossimaster. In the absence of Governor O'Ferrail, Attorney-General R. Taylor, Scotta responded to the toast 'Our Guests.' Next on the list was the 'Wholezale Trade of the South,' which was replied to by Captain J. H. Marth, of Memphis, Tenn. who was the first president of the association. Although apparently a young man, Captain Martin is a veteran of the war, having served on Stonewalf Jackson's staff. The other toasts and speakers were: 'Transportation,' Wr. C. A. Taylor, of Richmond, 'The Press,' Colonel C. O'B. Cowardin, 'The Gelegates to the convention association to the Jefferson roof garden by talent imported from New York for the purpose.
